#### FOR TOWN MARSHAL,

I hereby announce myself a the Regular Municipal Election, handed out to readers of the

#### FOR TOWN CLERK.

Clerk of Nogales, Arizona, at ing" policy of our esteemed convote respectfully solicited. W. H. SMITH.

friends, Republicans and Demo-know, regarding Nogales polcrats, are for him.

FRANK M. SULLIVAN, candidate for Town Marshal, on the Democratic ticket, is a consistent Democrat entitled to the vote of every Democrat voter. He is competent, well balanced, and thoroughly reliable. He will fill the responsible office of Town Marshal with credit to himself and Nogales. Every voter, especially every Democrat voter, should find it a pleasure to vote for Frank Sullivan. He always makes "good."

W. H. SMITH, candidate for the important office of Town Clerk, is too well known to every voter of Nogales who has had business with the city water department, the common council and the police court, to need "boosting" for the office of Town Clerk. During the past two years honest, square shoot-in' Bill Smith, has been called upon to do the work of the town clerk, which he has done faithfully and well, without in any way neglecting his own duties. No man in Nogales is more competent to fill the office of Town Clerk, and the voters, Republicans and Democrats, are going to elect him by a handsome majority.

THE Democratic voters of No-Democratic candidate for Town gales do not take any stock in Marshal of Nogales, Arizona, at the damphool tommy rot being Monday, May 22, 1916. Your vote respectfully solicited.

FRANK M. SULLIVAN.

The decision of the effect that the election of the Democratic municipal ticket, May 22nd, as the Common Council shall direct and municipal ticket, May 22nd, "endorses brigandage." Certainly, some Democratic subscribers I hereby announce myself a of the Republican Herald, resent Democratic candidate for Town the "weak, insipid and vaccilatthe Regular Municipal Election, temporary, the purpose of which is to induce Democrats to vote the Republican ticket at the struction, alteration, or removal, or any Monday, May 22, 1916. Your is to induce Democrats to vote coming municipal election. The Republican Herald is fooling no one but itself, and the result of As Superintendent of Streets, the coming city election will Pat Hannan will be found right teach that wielder of public on the job" when needed. Pat's opinion, a few things it does not itics.
